

WE SUPPORT DIRECT ELECTIONS FOR A STRONGER BMWED

MORE ACTIVE MEMBERSHIP

“Holding Direct elections is a step towards building a union that involves the members, stands up to the carriers and wins good contracts.”

Deven Mantz
Lodge 1326, BurNor, Minot, ND

A VOICE IN THE UNION

“We all pay dues and we all deserve a voice in the union. One Member One vote will give every member a say in the BMWED.”

Michael Babb
Lodge 2838, ARSF, Iuka, MS

ACCOUNTABLE REPRESENTATION

“We need officers who are accountable to membership. We are fighting for direct elections so we can elect officers who fight for the members and take on the railroad companies.”

Matt Mortensen
Lodge 2403, ATSFF, Kansas City, MO

TRANSPARENT LEADERSHIP

“Direct elections promote transparency and accountability —leaders will have to answer directly to the membership at large for their actions and decisions.”

Cory Aaron
Lodge 0745, ATSFF, MO

A FIGHTING UNION

“We just won direct elections and it allowed us to elect new leadership committed to building a fighting union. We took the fight directly to the big 3 and won the best auto contracts in decades.”
